<b>*If Tap or Jazz is added with a Ballet Class, the cost for the additional class will be <i>half</i> the sliding scale rate.</b>			
<b>**Sibling Policy: The dancer in the highest level will pay full tuition and siblings will pay <i>half</i> the sliding scale rate for <i>their</i> level.</b>			
<b>Note: While we offer the option of paying monthly, we hope that enrollment is a school-year commitment (September through May). Tuition payments are due at the <u>beginning</u> of each month and are <u>non-refundable</u>.</b>			
<b>Rejoice School of Ballet never wants finances to keep a student from dancing. If you are experiencing financial hardship, please contact us to discuss your payment options.</b>
